RE: Important Medicaid Fee Schedule Notice

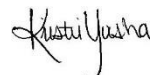

Dear Provider:

Effective April 1, 2015, the Maryland Medicaid HealthChoice program will change the reimbursement for Evaluation and Management CPT procedure codes. These procedure codes will now be paid at a lower rate by Maryland Medicaid and Jai Medical Systems Managed Care Organization (Jai Medical Systems) because of budget actions adopted by the State of Maryland. Jai Medical Systems' participating providers will continue to receive 101% of the Medicaid rate for the Evaluation and Management procedure codes.

For your reference, please see the attached fee schedule which lists the new Medicaid rates for the Evaluation and Management codes. Please note, this Maryland Medicaid fee schedule change is applicable for all dates of services occurring on or after April 1, 2015.

If you should have any questions regarding this matter, please feel free to contact our Provider Relations Department at 1-888-JAI-1999.

Sincerely,

Kristin Yursha
Director of Provider Relations
