Jai Medical Systems Managed Care Organization

In this Provider Directory, you will find information regarding hospitals, doctors, specialists, and pharmacies that participate with the Jai Medical Systems Managed Care Organization provider network. Please note, this information is subject to change. For the most up-to-date information, please visit our searchable provider directory online at www.jaimedicalsystems.com.

The information provided in this Provider Directory and on the online searchable Provider Directory is reported and verified by the participating provider at least annually, or earlier in the case of a request by a State or Federal agency. In addition, Jai Medical Systems Managed Care Organization will independently verify the following information at least once every three (3) years: provider specialty, board certification, and hospital affiliation. If at any time a provider informs us of a change in the information presented, we will update our online searchable provider directory within 30 calendar days of notification. Jai Medical Systems will verify the following provider reported changes: Specialty, Board Certification, Hospital Affiliation, and Hospital Accreditation.

If you have questions about the information presented, please contact our Customer Service Department at 1-888-JAI-1999 or the provider directly. If you are a provider and would like to update your listing, please contact our Provider Relations Department at 1-888-JAI-1999.

For your reference, we have provided descriptions of the information in this Provider Directory, defining each heading and sub-category.

Definitions:

Provider: A person, group, or facility that provides health care services and/or products (e.g. doctor, specialist, hospital or pharmacy).

Gender: The sex of the provider; male or female.

Office Location: The physical address for the provider.

Office Phone Number: The telephone number at which the provider can be contacted.

Specialty: The area of medicine in which the provider specializes. Examples of types of specialty include Internal Medicine, Pediatric Medicine, and Obstetrics and Gynecology. The provider self-reports their specialty on their credentialing application and this information is verified by the provider at least annually and by Jai Medical Systems Managed Care Organization every three years.

Jai Medical Systems Managed Care Organization

Board Certification: An official provider certification in an area of specialty by the American Board of Medical Specialties or other certifying board. For the most up-to-date information regarding a provider's Board Certification, please visit the American Board of Medical Specialties website at www.ABMS.org. Board Certification is verified by the provider at least annually and by Jai Medical Systems Managed Care Organization at least once every three years.

Group Name: The name of the group practice for the provider. The Group Name is verified by the provider at least annually.

Hospital Affiliation: These are the hospitals for which the provider has admitting privileges. The provider must apply for privileges to each hospital individually and meet the hospital's admitting privileges standards. Hospital Affiliation(s) is self-reported by the provider annually and verified by Jai Medical Systems Managed Care Organization every three years.

Hospital Accreditation: There are specific organizations that accredit hospitals. This section includes the name of the accrediting body and the status of accreditation. Hospital Accreditation is self-reported by each hospital annually and verified through the accreditation organization's website.

Accepting New Patients: This explains whether a provider is currently accepting new patients. This information is only identified for Primary Care Providers, Obstetricians and Gynecologists, and Substance Abuse Providers. This information is verified by the provider at least annually.

Languages: These are the language(s) that are spoken by providers participating in our network. Provider language is verified by the provider at least annually.
