

Jai Medical Systems Managed Care Organization, Inc. (Jai Medical Systems Managed Care Organization) is a Medicaid health insurance company regulated by the Maryland Department of Health and Mental Hygiene and the Maryland Insurance Administration. Jai Medical Systems Managed Care Organization does not employ any physicians who render medical care services or directly provide health care services.

The Provider Directory is a listing of providers participating in the Jai Medical Systems Managed Care Organization network. Please note that Jai Medical Systems Managed Care Organization does not employ the participating physicians and providers in our network. The participating providers in the Jai Medical Systems Managed Care Organization network are not the actual or apparent agents of Jai Medical Systems Managed Care Organization. The participating providers are independent and not controlled, operated, owned, or directed by Jai Medical Systems Managed Care Organization.

Please feel free to contact our Customer Service Department with any questions or concerns you may have concerning Jai Medical Systems Managed Care Organization and its provider directory or provider network.

Please visit our website www.jaimedicalsystems.com to view our online provider directory, or call our Customer Service Department at 1-888-JAI-1999 with any questions concerning providers or if you need assistance locating a provider.

Jai Medical Systems Managed Care Organization

In this Provider Directory, you will find information regarding hospitals, doctors, specialists, and pharmacies that participate with the Jai Medical Systems Managed Care Organization provider network. Please note, this information is subject to change. For the most up-to-date information, please visit our searchable provider directory online at www.jaimedicalsystems.com.

The information provided in this Provider Directory and on the online searchable Provider Directory is reported and verified by the participating provider at least annually, or earlier in the case of a request by a State or Federal agency. In addition, Jai Medical Systems Managed Care Organization will independently verify the following information at least once every three (3) years: provider specialty, board certification, and hospital affiliation. If at any time a provider informs us of a change in the information presented, we will update our online searchable provider directory within 30 calendar days of notification. Jai Medical Systems will verify the following provider reported changes: Specialty, Board Certification, Hospital Affiliation, and Hospital Accreditation.

If you have questions about the information presented, please contact our Customer Service Department at 1-888-JAI-1999 or the provider directly. If you are a provider and would like to update your listing, please contact our Provider Relations Department at 1-888-JAI-1999.

For your reference, we have provided descriptions of the information in this Provider Directory, defining each heading and sub-category.

Definitions:

Provider: A person, group, or facility that provides health care services and/or products (e.g. doctor, nurse practitioner, specialist, hospital or pharmacy).

Gender: The sex of the provider; male or female.

Office Location: The physical address for the provider.

Office Phone Number: The telephone number at which the provider can be contacted.

Specialty: The area of medicine in which the provider specializes. Examples of types of specialty include Internal Medicine, Pediatric Medicine, and Obstetrics and Gynecology. The provider self-reports their specialty on their credentialing application. Providers are requested to validate their specialty annually and immediately upon change. Jai Medical Systems Managed Care Organization verifies this at least and this information is verified by the provider at least annually and by Jai Medical Systems Managed Care Organization every three years.

Jai Medical Systems Managed Care Organization

Board Certification: An official provider certification in an area of specialty by the American Board of Medical Specialties or other certifying board. For the most up-to-date information regarding a provider's Board Certification, please visit the American Board of Medical Specialties website at www.ABMS.org. To verify a provider's current Board Certification status, please visit <http://www.certificationmatters.org/> and you can enter the provider's information or search by location and specialty. Providers are requested to validate their board certification annually and immediately upon change. Jai Medical Systems Managed Care Organization verifies this at least Board Certification is verified by the provider at least annually and by Jai Medical Systems Managed Care Organization every three years.

Group Name: The name of the group practice for the provider. The Group Name is verified by the provider at least annually.

Medical Group Affiliation The directory lists medical groups in the organization's network with which the physicians' providers are affiliated. Providers are requested to validate their medical group affiliation annually and immediately upon change. Jai Medical Systems Managed Care Organization verifies this at least every three years.

Hospital Affiliation: These are the hospitals for which the provider has admitting privileges. The provider must apply for privileges to each hospital individually and meet the hospital's admitting privileges standards. Providers are requested to validate their hospital affiliation annually and immediately upon change. Jai Medical Systems Managed Care Organization verifies this at least every three years. Hospital Affiliation(s) is self-reported by the provider annually and verified by Jai Medical Systems Managed Care Organization every three years.

Hospital Accreditation: There are specific organizations that accredit hospitals. This section includes the name of the accrediting body and the status of accreditation. Hospital Accreditation is self-reported by each hospital annually and verified through the accreditation organization's website. See page i for a listing of all participating hospitals and the web link for more information on their hospital accreditation.

Accepting New Patients: This explains whether a provider is currently accepting new patients. Providers are requested to validate if they accept new patients annually and immediately upon change. Jai Medical Systems Managed Care Organization verifies this at least every three years. This information is only identified for Primary Care Providers, Obstetricians and Gynecologists, and Substance Abuse Providers.

Jai Medical Systems Managed Care Organization

Languages: These are the language(s) that are spoken by providers participating in our network. Providers are requested to validate their language(s) spoken annually and immediately upon change. Jai Medical Systems Managed Care Organization verifies this at least every three years. Provider language is verified by the provider at least annually.

Hospital Name: The name for an institution providing medical and surgical treatment and nursing care for sick or injured people. Hospitals are requested to validate their name annually and immediately upon change. Jai Medical Systems Managed Care Organization verifies this at least every three years.

Hospital Location: The physical address for the hospital. Hospitals are requested to validate their location annually and immediately upon change. Jai Medical Systems Managed Care Organization verifies this at least every three years.

Hospital Phone Number: The telephone number at which the hospital can be contacted. Hospitals are requested to validate their telephone numbers annually and immediately upon change. Jai Medical Systems Managed Care Organization verifies this at least every three years.

Hospital Quality Data: Quality data that is from a recognized national source. This source lists quality data about each hospital, including but not limited to, general information, patient experience, timely and effective care, complications, readmissions, deaths, use of medical imaging, payment, and value of care. Please visit Hospital Compare's website <https://www.medicare.gov/hospitalcompare/search.html> to find a hospital.

Laboratory Services

Laboratory Corporation of America (LabCorp) provides laboratory services to all Jai Medical Systems Managed Care Organization members.

Please visit LabCorp's website www.labcorp.com/wps/portal/findalab or call 1-888-522-2677 to find a drawing station near you.

You may also contact our Customer Service Department at 1-888-JAI-1999 if you have any questions about laboratory services.

Vision Care Providers

Jai Medical Systems Managed Care Organization members may receive vision care from any vision care provider who participates with Superior Vision (Formerly known as Block Vision).

To find a participating vision care provider, visit Superior Vision's website https://www.superiorvision.com/member/locate_provider

You can also call Superior Vision at 1-800-879-6901 and a Superior Vision representative will help you find a vision care provider near your home.

Please remember to bring your Jai Medical Systems Managed Care Organization member ID card with you to your vision care appointment.

Dental Care Providers

Jai Medical Systems Managed Care Organization members may receive dental care from any dentist who participates with DentaQuest.

To find a participating dentist near you, visit DentaQuest's website <http://www.dentaquest.com/find-a-dentist-gov/>

You can also call DentaQuest at 1-855-398-8414 and a DentaQuest representative will help you find a dentist near your home.

Please remember to bring your Jai Medical Systems Managed Care Organization member ID card with you to your dentist appointment.
